

From Rachel Flowers at Croydon Public health

Faith Leader webinar: Staying safe and well during the winter and beyond - Tuesday 9th November - 1:30pm until 3:00pm on zoom

Please do come and join us for the next in our series of webinars with Croydon's Faith Leaders.

The focus this time will be on the simple things we can all do to stay safe and well over winter and beyond. The session covers vaccination both COVID and flu, wider health and emotional wellbeing, having health conversations, support for those in difficulties.

This webinar will be based on a training session that we have developed for staff and teams working out in the community and we would welcome your feedback about the content and its potential use amongst your congregations.

As always, this session is your opportunity to raise any questions and suggest items for future webinars.

We would be very grateful if you could forward this invite to colleagues.
