

The West End Gala is just one of the many events this year raising funds for the 5 charities Mayor, Councillor Humayan Kabir, has chosen to support.

The charities are;

Mind In Croydon, which promotes good mental health and seeks to empower people to lead a full life www.mindincroydon

Croydon Vision helps those who are blind or visually impaired and their families. www.croydonvision.org.uk

Apasen International (Croydon) is a social care provider helping to meet the needs of vulnerable people. www.apasen.org.uk

Ashdon Jazz Academy provides support for vulnerable young women and girls www.ashdonjazzacademy.org

Jointly hosting, and also benefitting from this event will be The Boury Academy. This is an affordable performing arts school designed to give professional training to children from disadvantaged backgrounds and those who would not be able to access extracurricular activities. They have just been awarded Best Performing Arts Academy in the London Prestige awards for their work in the community. www.thebouryacademy.co.uk

Faiths Together in Croydon (www.faithstogetherincroydon.org.uk) are pleased to be hosting this event and would love to see you at the newly reopened Fairfield Halls on November 3rd for a fantastic night of musical theatre with stars from stage and screen.
