13:00	Lunch
13:30	Chaplaincy Support Network
14:30	Formalities of being a Chaplain

Dates will be set for each of these once dates are checked with potential volunteers.

Volunteers have to attend all three days and also the volunteers training day before they will be accepted.

On completion of the day training, Chaplains will be given a mentor for six months and undertake a provisional Chaplaincy volunteering position for this period.

On completion of all training and Trainee Volunteers will be interviewed to confirm that they have passed the provisional period, explore what they would like to do within the Chaplaincy Team.
